Notes from the Vineyard

The recent rains have made us even more excited about the upcoming year for the grapes. With the advanced care we have devoted to the vines in the past years, we are seeing the rewards in the form of intense flavors and higher quality grapes. We are keeping a close eye on the weather forecast and hope that we will

see even more precipitation.

At my recent barrel tasting with Jarred Pearce, the winemaker, I was delighted by the wonderful aromas and crisp tastes of last year's Viognier and Sauvignon Blanc. These wines are undoubtedly the best white wines we have ever produced and I cannot wait to share them with you after their bottling in June. The red wines in barrel are clearly the best that we have ever had. Increased care in the vineyard, a good past harvest clearly helped us produce quality fruit, the final touch has been the care by our new winemaker Jarred.

I think all of last year's wines will be award winners. I look forward to sharing them with you at our upcoming events and in the future.

Winter Wine Celebration Dinner

Please join us for our annual Winter Wine Celebration Dinner on Saturday, March 8th in our Winery at Canterbury Vineyards in Vallecito. A delightful five course meal will be served with exciting new wines from both barrel and bottle. This is an opportunity to taste wines not yet released and sample the new wines created by our talented new winemaker Jarred Pearce.

Entertainment by Jill Warren, an exciting newly discovered talent will fill out the evening. Please call the Tasting Room for reservations, (209)728-2314. \$75.00 for wine club members and \$85.00 for others.

Shuttle service will be available from the Tasting Room in Murphys starting at 5:30. Come early and enjoy vineyard views and meet our Winemaker Jarred. This will be an unusual opportunity to taste some of his new wines which Dr. Renner reports to be "world class" and "gold medal" quality.

New Wines

We are thrilled to announce that we have bottled new varietals and have quite a few wines to add to the tasting menu.

Stop by the Tasting Room to try the new 2011 Zinfandel, the 2011 Syrah, the 2010 Petite Sirah and the 2009 Malbec. The 2011 Trilogy is excellent but won't be available for tasting until April 1st, as it takes time to approach these wines after bottling. More new wines will be coming in the spring when we are looking forward to Jarred's delicious Viognier, Sauvignon Blanc and a special blush blend he has created for the Wine Club.

Attention Wine Club

Dr. Renner has selected 3 great wines for the March 1st selection of wines for shipment and pick up. This quarter the wines will be the 2011 Syrah, a rich complex red with big berry flavor, the 2011 Zinfandel with bold flavors and the spice that Zins are known for, and the 2010 Veritas that people have loved for a year now. Contact us if you want to make alternate arrangements to receive or pickup your wine. We encourage you to visit the Tasting Room to customize your order. Call us with any questions or concerns, (209) 728-2314, and as always, call Diane if you are having trouble reaching us, (209) 890-5471.
